2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Response:

The college organizes orientation program at the commencement of session for newly admitted students. The wide range of continuous assessments (e.g. Home and Class Assignments, Class Tests) enables effective assessment of learning levels of students. Slow and advanced learners are identified for each subject separately by respective teacher for all semesters.

Advanced Learners:

Advance learners are identified based on performance in various examinations of previous semesters and internal examinations. They are guided as follows:

? Motivating students for better performance in higher studies.

? Advanced learners are encouraged to participate in state and national level conferences, competitions to showcase their talents and skills.

? Special career guidance for higher studies by Training and

Placement cell.

? Academic presentations are held, where the students get the opportunity to present innovative ideas.

Slow Learners:

Following measures are taken for these students:

? Remedial classes conducted with appropriate focus on the subject.

? Individual academic counseling done by concerned subject teacher.

? Students study groups formed for peer-to-peer learning.

? Courses in soft skills offered to improve reading and writing skills in English.

? Extra reading materials and video lectures from web provided to improve basic understanding of the subject.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Response:

The College makes constant efforts to enrich its students to realize their potential and evolve them as transforming agents of society. Some very effective methods are adopted by the college in this process:

? The teaching and learning improvement cell encourages the students to combine theoretical with practical knowledge, through visits to other university campuses.

? Respective Departments conduct industrial visits regularly.

? The Research and Skill Development Cell and PG Department help the students to conduct independent research in survey methods, data collection, and social outreach to give them some idea of the actual working environment.

? Field trips to biodiversity parks, nature club participation, etc. are organized to endorse grass root level understanding of concepts.

? Special lectures/seminars/webinar/conferences are organized along with short-duration add-on certificate courses that are conducted to encourage and motivate students to bridge the gaps between theoretical and practical knowledge and give students a competitive edge.

? Special care is taken to prepare the students for competitive examinations like JAM /GATE /NET /SET etc. Use of ICT & E-resources by students is encouraged.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teachers of the College make the best use of the technology in their teaching process.

Teachers use ICT and various other digital tools (e.g. pen-tab) for better understanding of topics.

The College has a Wi-Fi Enabled Campus which helps the teachers and students to learn from online resources along with text books.

The college has several ICT Enabled Classrooms with Desktops, Laptops, and Projectors which helps in the e-learning process.

Some teachers use and share E-books which are very useful for the students as they save the cost of buying the physical books.

The college has well equipped computer labs.

Besides e-books in the e-classrooms, educational podcasts and videos, such as Ted Talks, YouTube Content, etc are also used during lectures.

2.5 - Evaluation Process and Reforms	
2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and	

mode. Write description within 200 words.

The college rigorously maintains the University of Calcutta's evaluation guidelines. All official notices about such examinations are posted on the college's official website.

The college authority forms a committee to be in charge of creating a subject-wise exam timetable for the departments.

The examination method involved the setting of question papers, the assessment of answer scripts within a given time frame, and the submission of results.

The grades for attendance and tutorials are also uploaded by the professors. In case of any error in this process, the college authority and all the departments also ensure immediate action.

The correct information is forwarded to the University within stipulated time as per University notifications.

Apart from a ten-mark internal test conducted by following the guidelines of University of Calcutta, students are regularly assessed through online projects, quiz sessions, and presentations. Remedial steps are also taken by the teachers for the weaker students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The college ensures that all students are treated equally and impartially in all aspects, evaluation and assessment. The students report all examination-related grievances to the Head of the concerned Department. The majority of examination-related complaints are received after the University of Calcutta announces the results. Steps are promptly taken to correct errors. The respective HODs extend their sincere effort regarding submission of the correct information to the University of Calcutta. When there are concerns with erroneous award lists, the college

authorities contact the affiliating university and workout a solution. Relevant documents/testimonials are provided by the students to the college authority for a faster solution. All internal examination-related issues are monitored on a regular basis and a close and continuous communication is maintained with the University of Calcutta. Furthermore, if a student raises any concerns about the conduct of an internal examination, the professors pay special attention to the student's complaints.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

As the admission process involves extensive counseling of aspiring students, so teachers from the different streams in Arts, Science and Commerce try their best to acquaint the students with the different options with regard to the latter's choice for subjects. Under the CBCS curriculum, both teaching and learning have become inter-disciplinary and so students with wide-ranging interests in the Sciences and liberal Arts are encouraged to take up the subjects of their choice. There are instances of students going for English Honours and opting for Economics and Political Science as subjects of their preference. There are many aspirants for Masters and Research, and after graduation, the latter seek admission in institutions of repute. Many have also cleared various competitive exams in addition to NET and SET for a teaching career. The College Prospectus provides exhaustive material on different subjects and student intake. The teachers and other concerned stakeholders are also made aware of the programme/course outcomes. Departments organize regular workshops, seminars, lecture series and conferences to communicate the career prospects of the programmes offered by the college. The programme/course outcome along with the syllabus of each department is available on the college website.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college ensures successful evaluation of performance of students through various methods for measuring the attainment of each of the Program Outcomes and Course Outcomes. Each department designs their academic curriculum in accordance with the programme/course outcome. Interactive- participative learning, extra classes for slow learners are regularly organized by the departments. Development of analytical thinking, writing and oratory skills are encouraged in classes. Evaluation of these skills are done through appropriate tools like Group Discussion, Laboratory Experiments, Viva voce, Objective tests, Home assignments etc. Complementary learning plans are also executed through special seminars/webinars, student paper / PowerPoint presentation, debate, quiz competition, field work, poster designing, documentary/film show etc. The college offers various certificate courses to develop job oriented skills and knowledge among the students. The success of programme depends on student's performance in various examinations such as university examinations, internal examinations, projects, home assignments etc. Throughout the year the faculty records the performance of each student on each programme outcome. Also, remedial coaching is provided to slow learners to synchronise the learning of all students. The College tries to harness all of its human skills for meeting future challenges. Career Counseling and occasional on-campus visits by private concerns like Tata resources to provide an ideal environment for teaching and learning so as to equip students with life Consultancy Services definitely provides the impetus for choosing career options

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The Institution has established a mechanism for conducting internal and external audits on the financial transactions every year to ensure financial compliance. Before the commencement of every financial year, Principal Sir submits a proposal on budget allocation, by considering the recommendations made by the Heads of all the departments, to the management. College budget includes recurring expenses such as salary, electricity, internet charges, maintenance cost, stationery, other consumable charges etc., and non - recurring expenses like lab equipment purchases, furniture and other development expenses. The expenses will be monitored by the accounts department as per the budget allocated by the management. All vouchers are audited by an internal financial committee on yearly basis. The expenses incurred under different heads are thoroughly checked by verifying the bills and vouchers.

The accounts of the college are audited by chartered accountant regularly as per the government rules. The auditor ensures that all payments are duly authorized after the audit, the report is sent to the management for review. Any queries, in the process of audit would be attended immediately along with the supporting documents within the prescribed time limits.

Proper garbage disposal is a significant and important aspect of any educational institution, especially where a large number of students are involved in several science departments. The college belongs to the jurisdiction of Kolkata Municipal Corporation. So, KMC regularly assists in the timely removal of ordinary waste material from college campuses.

Regular cleaning of the college's sewage system has also been made a part of this, as has the use of disinfectants in the sewage system on a regular and timely basis, as advised by the municipal services.

The E-waste collected is stored and disposed every year accordingly. Empty toners, cartridges, outdated computers and electronic items are sold as scrap to ensure their safe recycling. Old monitors and CPUs are repaired and reused.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

- Help Line:**

A toll-free helpline has been installed to cater the need of the students and other stake holders of the college so that they can get relevant information from the college, free of cost.

- **SMS gateway:**

It has been introduced to keep in touch with the students. The necessary information is sent to them through this service. Teaching and non teaching staff also get SMS alert for various administrative work and college schedule.

- **Feedback Mechanism:**

The Colleges has developed a feedback mechanism on an online as well as offline basis. The feedback from the students is obtained teacher-wise and course-wise. The model questionnaire issued by the NAAC is used as a model to prepare the feedback form for this purpose. IQAC analyses these feedback forms and gives the analyzed evaluative report, teacher-wise, to the Principal.

- **Infrastructural innovation:**

(i) The college authority has installed CCTVs at the main entry point and at different strategic locations in the corridors for proper surveillance of its valuable resources.

(ii) A vending machine is installed in the girl's common room to maintain the health and hygiene of female students and staffs of the college.

- **Academic Innovations:**

Parallel to the chalk and talk method, the institution encourages the faculty to adopt new and innovative approaches like introduction of Computer and Internet, LCD Projectors, over-head projectors, field work and visit to industries, socio-economic surveys, and health surveys.
